5 Year Warranty

Standard Warranty Policy

All Belmont products are guaranteed against mechanical, electrical and workmanship faults, under normal working conditions, for a period of one year from date of delivery. Paintwork, plating, natural wear/tear of all tubings are not warranted unless they are proved to be defective at time of delivery. OEM factory built-in options (i.e. scalers, motors and CVS kits) carry a warranty as provided by the individual manufacturer.

FREE Extended Warranties

On condition that the purchaser returns the *Extended Warranty* form to Takara Belmont (UK) Ltd, the above *Standard Warranty* will be extended to ~

5 Years

for all Belmont Dental Chairs, Dental Operating Lights, Cleo Dental Units, tbCompass Dental Units and Voyager Dental Units.

2 Years

for Intra-Oral X-Rays.

(A detailed warranty policy is available upon request.)

PLEASE NOTE: ISO 13485 Certification

All of our dental products are supplied with a full CE mark and certification to the standard complying with ISO 13485. Any modifications or alterations made after certification by us may affect your warranty as the responsibility for CE and electrical safety will transfer to the modifier.
